

PANGKOR LAUT RESORT

ONE ISLAND . ONE RESORT

THE PRIVILEGE OF ONE ISLAND, ONE RESORT

Set on a private island, one of the world's premier resorts nestles in the shade of forest giants as old as the land. Pristine bays shaded by lush rainforest and evening skies woven with colour are a privilege reserved exclusively for our guests. Each guest villa is sumptuously appointed; signature Sea and Spa Villas stand above gently lapping waves, while the Hill, Garden and Beach Villas allow guests to contemplate verdant flora and landscaped gardens as tropical birds take flight. Eight private Estates featuring a range of two to four bedrooms are set within acres of rainforest and conjures an atmosphere of a British estate manager of old Malaya with a personal butler and chef serving each Estate.

The award-winning Spa Village is a 4-acre haven of serenity. Here, the healing ethos of 3 cultures are extolled, offering sublime experiences to rejuvenate and replenish the spirit. Guests can choose to feast at one of 6 restaurants serving a myriad of delicious cuisine, enjoy a sunset cruise on an antique junk or simply relax on an intimate beach voted as one of the world's most beautiful. At Pangkor Laut Resort, exquisite memories are etched forever and time itself varies its pace just for you.
